Welcome to an international festival on live coding, hence programming art while you can watch it!

We celebrate music, visuals, poetry, DJing, patterns and irritations. Besides workshops and a documentary film, you can be part of an interactive performance on June 14th, rave like an algorithm in the algorave on June 15th or chill with artists during a community breakfast on June 16th.

Enjoy Zwickau's new downtown sub-culture at Projekt 46 or dance outdoors in Kunstplantage's hidden garden!

Festival-Pass (incl. camping) 30 €

Opening 5 - 10 €
